*"Technological advances will enable marketers to draw an ever-finer bead on
consumers through DIRECT MAIL." - BUSINESS WEEK, July '04*

Let Hewitt Campaigns, Inc. create a precision direct mail campaign for your business. Our massive database allows you to send mail to high-end customers, homeowners, renters, or target by street, zip, or neighborhood, and countless other criteria. Our pieces are full color, high impact design, on quality card stock. We can devise a mail plan, target your customers, design, print and mail your piece for as low as \$1 per piece. Wouldn't that be easier than doing it yourself or paying a pricey ad firm?
